I am a former resident and a mother of a special needs child. My kids and I love seeing the horse's and the officers my daughter is already begging me to go to Dover to see them. We would use seeing them as a reward for her good behavior. I will make the 3 mile walk to and from the bus in Rochester just so she can see them if they do not get discontinued. We just got over Monty's retirement.

Thank You,
Danielle Accardi
