Hi, my name is Kristen Devoe. I have been a resident of Dover for 9 years now. The Mounted Patrol is something I look forward to seeing when I am out and about. I have borderline personality disorder and my daughter has oppositional defiance disorder, these horses make us happy. We smile when we see them, and for my daughter they make the police officers more approachable for her. Discontinuing the Mounted Patrol would be a huge disservice for Dover. Please reconsider discontinuing them. With everything so negative and just bad lately, leave something that promotes positivity and makes people smile. We need to smile.
