Subject: I urge you to support the Dover Mounted Patrol

Security Notice: External sender. Use caution with hyperlinks or attachments.

All,

A residents and property owners in Dover, we urge you all to support the Dover Mounted Patrol.

Please do not shortsightedly eliminate a valuable program simply because times are difficult right now.

I can understand suspending the program for the time being, but no steps should be taken to eliminate the Mounted Patrol. It is one of the many things that makes Dover a truly special place to live.

Thank you,
Andrew & Joie Townsend
